C-102 Big John Cleaner & Surfactant

01/01/25

Description

C-102 Big John Cleaner & Surfactant is a superior concentrate formulated with heavy duty, non-ionic surfactants, detergents and special builders which together compose a versatile product which will outperform all others.

C-102 Big John Cleaner & Surfactant is also 100% biodegradable and environmentally safe to use.

Composition

In addition to its excellent detergency characteristics, C-102 Big John Cleaner & Surfactant is fortified with the following ingredients for optimum performance and stability.

- Buffers - Maintain a constant pH until cleaning solution is used up.
- Chelating Agents - Stabilize hard water salts & prevent a decrease in cleaning power.
- Wetting Agents - Make water “wetter” for effective cleaning.
- Versene - Eliminate streaking & spotting.
- **C-102 Big John Cleaner & Surfactant** is non-toxic.
- **C-102 Big John Cleaner & Surfactant** is non-flammable.

Application

- Excellent for washing trucks, equipment, shop floors, glass, janitorial cleaning, etc.
- Excellent surfactant (wetting agent) for spraying crops. C-102 Big John Cleaner & Surfactant causes liquid fertilizers, weed killers and defoliants to penetrate more effectively for maximum efficiency.
- Excellent oil dispersant.

Specifications	
pH of Concentrate	8
Volatile Solvents %	2
